

CERTIFICATE OF REGISTRATION

Information Security Management System - ISO/IEC 27001:2022

The Certification Body of Schellman Compliance, LLC hereby certifies that the following organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2022

Microsoft Corporation

for the following scope of registration

The scope of the ISO/IEC 27001:2022 certification covers the Information Security Management System (ISMS) supporting Microsoft Azure, Dynamics 365, and other Online Services that are deployed in Azure Public and Government Cloud including their development, operations, and infrastructure and their associated security, privacy, and compliance and inclusive of the requirements and control implementation guidance of ISO/IEC 27701:2019 for a privacy information management system (PIMS) as data processor per the statement of applicability version 2025.01.

which includes the following in-scope location(s) on pages 18 - 23

Certificate Number: **1729711-16**

Authorized by:

Danny Manimbo
Principal, Schellman Compliance, LLC
4010 W Boy Scout Blvd., Suite 600
Tampa, Florida 33607, United States
www.schellman.com

Issue Date
June 11, 2025

Original Registration Date
November 29, 2011

Expiration Date
June 17, 2026

Certificate Version
Version 16

CONDITIONS & LIMITATIONS:

1. The aforementioned organization has a perpetual responsibility to maintain compliance with ISO/IEC 27001:2022 during the period of certification.
2. This certificate is subject to the satisfactory completion of annual surveillance audits by Schellman Compliance, LLC
3. ISO/IEC 27001:2022 compliance audits are not designed to detect or prevent criminal activity or other acts that may result in an information security breach. As such, this certification should not be construed as a guarantee or assurance that an organization is unsusceptible to information security breaches.
4. The information in this document is provided "AS IS", without warranties of any kind. Schellman Compliance, LLC expressly disclaims any representations and warranties, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose.
5. This certificate is the property of Schellman Compliance, LLC and is bound by the conditions of contract. The authenticity of this certificate can be validated by contacting Schellman Compliance, LLC

	Supporting Infrastructure and Platform Services	✓	✓

Legend

¹ Quota + Usage Blade was noted as a service / offering in the most recent ISO 27001:2022 certificate (#1729711-15); however, this service / offering, while still active, was noted to be non-client facing. As such, this was not formally noted in this certificate (#1729711-16).

* Includes the Azure Stack Bridge service which provides hybrid capabilities between on-premises Azure Stack deployments and the online Azure cloud; however, customers are responsible for managing the security of on-premises components.

** Azure manages physical security and the Azure platform (Portal, Resource Provider control plane, Identity and Network connectivity) of the Oracle Database@Azure. Oracle Cloud Infrastructure manages the other portions, which include the OCI hardware and control plane.

*** Azure manages physical security and the Azure platform (Portal, Resource Provider control plane, Identity and Network connectivity) of the Nutanix on Azure offering. Nutanix Cloud Platform manages the other portions, which include the Nutanix Cloud Portal and Nutanix Cloud Infrastructure Software.

CONDITIONS & LIMITATIONS:

1. The aforementioned organization has a perpetual responsibility to maintain compliance with ISO/IEC 27001:2022 during the period of certification.
2. This certificate is subject to the satisfactory completion of annual surveillance audits by Schellman Compliance, LLC
3. ISO/IEC 27001:2022 compliance audits are not designed to detect or prevent criminal activity or other acts that may result in an information security breach. As such, this certification should not be construed as a guarantee or assurance that an organization is unsusceptible to information security breaches.
4. The information in this document is provided "AS IS", without warranties of any kind. Schellman Compliance, LLC expressly disclaims any representations and warranties, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose.
5. This certificate is the property of Schellman Compliance, LLC and is bound by the conditions of contract. The authenticity of this certificate can be validated by contacting Schellman Compliance, LLC
